Military Medicine Partnership Conference and Expo

*Arming the Military Medic Through Innovation
Building Enduring Partnerships to Fill Warfighter
Medical Capability Gaps*

March 7-8, 2017

Turf Valley Conference Center, Ellicott City, MD

NDIA

CONFERENCE OBJECTIVE

This event is an opportunity for science and industry representatives to learn more about USAMRMC's missions, programs and gap areas and to better understand the process within which USAMRMC operates. USAMRMC provides world-class medical knowledge, countermeasures, and technologies to protect and sustain our service men and women throughout their military careers.
