

Robotics Division Quarterly Meeting

16 June 2009

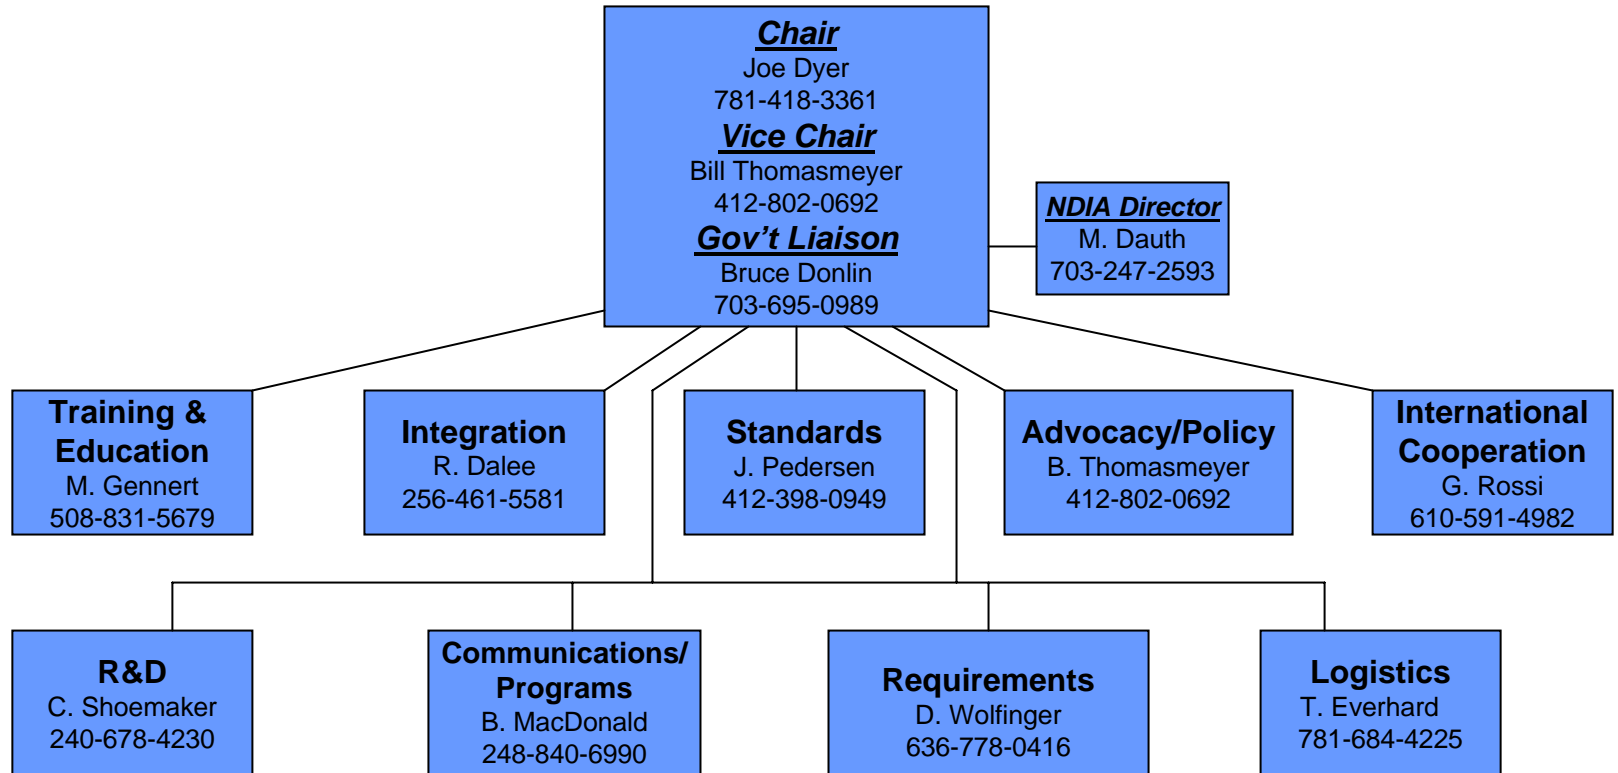

Welcome / Admin Instructions

- Welcome
- Roll Call of Participants
- Contact Information: Chair: jdyeer@irobot.com
Vice Ch: billt@techcollaborative.org
NDIA Director: mdauth@ndia.org
- Copies of all materials shown today will be available to participants NLT next week on
www.ndia.org/divisions/robotics

Robotics Division Mission Statement

- Advance the science, technologies and applications of robotics to maximize the effectiveness of our nation's defenders.
 - Advocate accelerated expansion of robotics applications to support America's defenders
 - Educate government officials on emerging robotics technologies and applications
 - Engage government policy makers, program managers and end users in policy discussions and other activities designed to strengthen the government-industry robotics team
 - Serve as a robotics technology and systems integration community of interest engaged in advising and assisting government officials and organizations

Robotics Division
