- Current Status
 - 112 total Task Order awards under our SeaPort-e prime contract
 - \$2.3 Billion in SeaPort-e Task Order awards (including options)

- SAIC SeaPort-e activities are coordinated by a centralized SeaPort-e Program Management Office (PMO)
- Willing to perform as prime contractor or subcontractor, depending on SAIC capabilities best suited to accomplish the tasks (over 150 awards as a subcontractor to other SeaPort-e prime contractors)
- The PMO distributes SeaPort-e solicitations to SAIC internal organizations that might be interested in bidding
- Bid and teaming decisions are made at the performing organization level, not by the PMO
- The PMO works with the SAIC performing organization, teammates, and the SeaPort-e Contracting Officer to coordinate proposal submittals and obtain subcontracting approvals

■ General

- In Government Fiscal Year 2008 (GFY 08), SAIC awarded \$1.6 billion in subcontracts to small businesses. This is the fourth year in a row that SAIC has subcontracted over one billion dollars to small businesses. SAIC's commitment is clearly demonstrated as this activity is more than 15% of SAIC's revenues.
- SAIC is a twelve time recipient of the prestigious DoD Nunn-Perry Mentor Protégé Award

■ SeaPort-e

- Over 50% of subcontracted dollars awarded to Small Businesses
- 75% of our approved subcontractors are categorized as Small Business
