# CBDAIF

*Jess A. Scarbrough*  
*Brigadier General, USA*  
*Joint Program Executive Officer for*  
*Chemical and Biological Defense*  
**703.681.9600**

**January 21, 2010**

# Phase 1

## Nine

### Joint Project Managers

- Joint Project Manager  
Chemical Biological Medical Systems  
(Biosurveillance Trial Boss)
- Joint Project Manager  
Transformational Medical Technology
- Joint Project Manager  
Contamination Avoidance  
(Non-Traditional Agent Trail Boss)
- Joint Project Manager  
Biological Defense
- Joint Project Manager  
Guardian  
(Integrated Base Defense Trail Boss)
- Joint Project Manager  
Information Systems  
(Information Mgt/Technology Trail Boss)
- Joint Project Manager  
Individual Protection
- Joint Project Manager  
Collective Protection  
(Major Defense Acquisition Program Trail Boss)
- Joint Project Manager  
Decontamination

**Decision  
60-90 Days  
Time Phased  
Through FY11**

## Seven

### Joint Project Managers

- Joint Project Manager  
Chemical Biological Medical Systems  
(Biosurveillance Trial Boss)
- Joint Project Manager  
Transformational Medical Technology
- Joint Project Manager  
Contamination Avoidance  
(Non-Traditional Agent Trail Boss)
- Joint Project Manager  
Biological Defense
- Joint Project Manager  
Guardian  
(Integrated Base Defense Trail Boss)
- Joint Project Manager  
Information Systems  
(Information Mgt/Technology Trail Boss)

**Integrates Three  
Joint Project Mgt Offices:**

- Individual Protection
- Collective Protection
- Decontamination

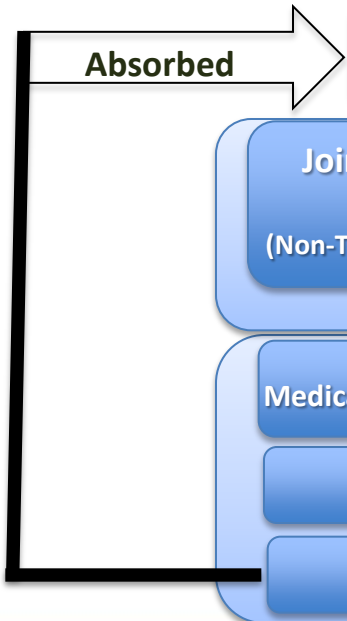

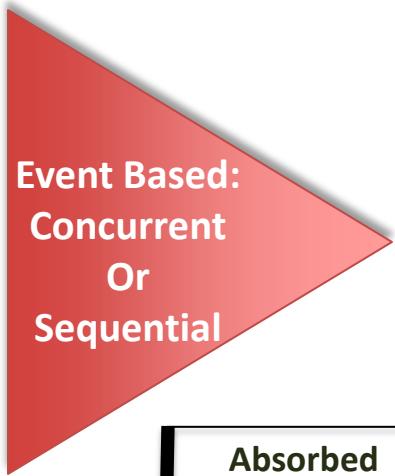

**Joint Program Manager  
Protection  
(Major Defense Acquisition Program  
Trail Boss)**

# Phase 2

## Seven Joint Project Managers

- Joint Project Manager  
Chemical Biological Medical Systems  
(Biosurveillance Trial Boss)
- Joint Project Manager  
Transformational Medical Technology
- Joint Project Manager  
Contamination Avoidance  
(Non-Traditional Agent Trail Boss)
- Joint Project Manager  
Biological Defense
- Joint Project Manager  
Guardian  
(Integrated Base Defense Trail Boss)
- Joint Project Manager  
Information Systems  
(Information Mgt/Technology Trail Boss)
- Joint Project Manager  
Protection  
(Major Defense Acquisition Program Trail Boss)

## Seven to Eight Joint Project Managers

- Joint Project Manager  
Chemical Biological Medical Systems  
(Biosurveillance Trial Boss)
- Joint Project Manager  
Transformational Medical Technology
- Joint Project Manager  
Information Systems  
(Information Mgt/Technology Trail Boss)
- Joint Project Manager  
Protection  
(Maior Defense Acquisition Program Trail Boss)
- Joint Project Manager Guardian  
(Integrated Base Defense Trail Boss)

Integration of  
Joint Project Mgt Offices:  
Contamination Avoidance  
and  
Biological Defense

Joint Project Manager  
Sensors  
(Non-Traditional Agent Trail Boss)

Potential  
Mission  
Accruals

- Joint Project Manager  
Medical Counter Measures initiative
- Joint Project Manager  
Radiological/ Nuclear
- Army/Joint Service  
Integrated Base Defense

JPEO TOA	960,620	1,007,701	1,033,365	1,067,520	998,370	5,067,576

## What the POM 12 Provides

### The POM is PSG Focused, Providing the Warfighter:

- Medical Countermeasures (MCM) Against Infectious Diseases (EID), Biological Warfare Agents, Non-Traditional Agents (NTAs), and Traditional Chemical Warfare Agents
- Diagnostics
  - Medical
  - Environmental
- Biosurveillance
  - Medical
  - Environmental
- NTA Detection, Identification, Protection and Mitigation
- Integrated Early Warning and Detection
- Protection and Hazard and Contamination Mitigation
- Bio Standoff and Chem/Bio Point Detection

# Air Force Capabilities Addressed in POM FY12-16

- **Joint Biological Point Detection System (JBPDS)**
  - Funds Technology Refresh to replace Joint Portal Shield
- **Joint Service Aircrew Mask (JSAM) – Fixed Wing**
  - Also a recommended OGI Enhancement
  - Base POM submission does not provide for mask development/fielding on four Service critical platforms
- **Joint Biological Stand-off Detection System – Inc 2 (JBSDS2)**
  - Funds development/fielding on bio stand-off detection
- **Joint Platform Interior Decontamination (JPID)**
- **Dismounted Reconnaissance Sets, Kits, and Outfits (DR SKO)**
