

CBDAIF Quarterly Meeting

International Traffic In Arms
(ITAR)

Ad-Hoc Committee Report

January 9, 2008

ITAR Ad-Hoc Committee

- Charter – Improve the awareness of and processes for the export of technology and equipment by working within the existing system
- Scope – Work both the munitions list (Department of State) and dual use items (Department of Commerce)

ITAR Committee

- ITAR Committee Members
 - Larry Wakefield – JPEO-CBD
 - Dr Frederick Ruiz-Ramon – JPEO-CBD
 - Jesse Wright – JPEO-CBD
 - Larry Sparks – Washington Division of URS
 - Bruce Dobbs – Washington Division of URS
- Bruce will serve as committee chair and report progress to the CBDAIF

ITAR Committee Actions

- Provide an awareness of the ITAR and the processes for export control for CBDAIF members who need additional information
- Survey the Industrial Sectors to determine or identify repetitive/recurring issues regarding ITAR

ITAR Committee Actions

- ITAR repetitive/recurring issues:
 - Preparation of ITAR documentation
 - General problems
 - Bottlenecks
 - Timelines
- Upon completion of the survey, suggest improvements in the form of education in the processes or support from knowledgeable industry members
