CLASSIFIED: (SECRET U.S. ONLY)**

---

“SECURITY PROCEDURES - INFORMATION FOR VISIT REQUESTS

The Security Access List will be compiled by the NSWC Crane, Mission Security Branch. Attendees (including NSWC Crane employees) should initiate a visit request via JPAS/JCAVS using SMO code 00164 and Steve Clark as the POC.

The deadline to submit visit requests is COB 6-August-2010. Participants whose names do not appear on the Security Access List will not be admitted to NSWC Crane, IN. Your clearance must be awarded by your SMO, eligibility without actual award is insufficient.

If you **DO NOT** have a DoD CAC or retiree card, you will need a classified visit request and instructions to drive around to the Crane gate. You **CAN NOT** follow the conference shuttle bus in (onto the base).

Attendees are strongly encouraged to utilize transportation provided to and from Bloomington to Crane. Not taking the provided transportation will require a gate pass to be entered and an additional 30 minutes travel time as you must enter base through the Crane gate.

**Due to overwhelming response – we have reached capacity for the conference. Registration is now closed (now sold-out). \*\*\*LATE AND/OR ON-SITE REGISTRATION will not be offered. Please do not make travel plans as we do not have space to accommodate anymore attendees.**
