

## **Tuesday Business Opportunities Session**

A Business Opportunities Session will occur on Tuesday morning, May 17, 2011 with USSOCOM small business, acquisition, and science and technology experts, addressing requirements and opportunities for industry partners supporting SOF. Attendees will be provided an opportunity to establish key partnerships, gain insight, and hear first-hand from USSOCOM acquisition leaders about current SOCOM and DoD changes and priorities. Attendance to this Session is included with the purchase of full conference registration, or may be purchased individually for a separate fee. Please refer to the red "Registration" tab on this website.
