

General Session

USSOCOM Commander, Admiral Eric T. Olson, USN; USSOCOM Acquisition Executive, Mr. James W. Cluck; and USSOCOM Component Commanders will provide their perspectives, thoughts, and insights on SOF's current challenges, trends, and interests in support of SOF's global missions.

General sessions will consist of panel discussions with various USSOCOM Senior Leaders to provide attendees with enhanced knowledge, understanding, and awareness of key acquisition, requirements, operations, and technology issues in the context of SOF's core capability areas of Understand, Communicate, Move, and Engage.
