BREAKOUT DESCRIPTIONS

DCAA

Located in Ballroom 5
Mr. Bill Hitt, *Branch Manager, Defense Contract Audit Agency, Alabama Branch Office*

This session will provide information on the history of DCAA, its organization, purpose and mission. In addition, participants will discuss the type audits performed by DCAA and the basic scope of these audits. Further, discussion will address some common questions related to government contract accounting.

SBIR/STTR Program

Located in Ballroom 4
Dr. Kip Kendrick, *Deputy Director for Advanced Technology, Missile Defense Agency*

Missile Defense Agency Small Business Innovation Research (SBIR) Program and Small Business Technology Transfer (STTR) Program Overview to include discussion on the 2009 Missile Defense Agency Small Business Innovation Research Industry Day.

Joint Ventures Vs. Teaming

Located in Ballroom 3
Mr. Gary Heard, *Procurement Center Representative, Small Business Administration*

The session will discuss the SBA regulations related to joint ventures and how they apply to 8(a), HUBZone, and Service-Disabled Veteran-Owned Small Businesses. Attendees will learn how forming a joint venture can benefit their company and the rules for the joint venture to bid on acquisitions set aside for small businesses.

BREAKOUT DESCRIPTIONS

Fidelity Bonding

Located in Ballroom 2

Mr. John Busbey, *Senior Contract Specialist, NASA*

The breakout session is a video presentation that will provide answers to commonly asked questions about Fidelity Bonding:

- ▶ What is it?
- ▶ Why is it needed?
- ▶ Who is eligible?
- ▶ How is it issued?
- ▶ Has it had success?
- ▶ Where to go to get it?

Recertification Process

Located in Ballroom 1

Ms. Bobbie Jenkins, *Procurement Center Representative, Small Business Administration*

This presentation will cover current rules for small business size certification and new certification rules. The discussion will also cover how the new rules will affect novated contracts, mergers and acquisitions.

Put Your Best Proposal Forward

Located in Meeting Room 2

Ms. Stacy Watson, *Contracting Officer, Army Contracting Command, Information Technology, E-Commerce and Commercial Contracting Center (ACC-ITEC4)*

Why does it seem like some vendors have better success in winning contract awards? Are some vendors luckier than others? This session will provide vendors with insight into how to effectively plan and respond to government solicitations (including Requests for Proposals,

THANK YOU TO OUR BAG SPONSOR!

LogiCore Corporation was founded in 2002 by Miranda Bouldin as a Woman-owned, 8(a), SBA-certified Small Disadvantaged Business (SDB) headquartered in Huntsville, Alabama.

LogiCore is a seasoned professional organization with comprehensive experience in Integrated Logistics Support, Total Life Cycle Management, Project Management, Engineering Projects, Systems Acquisitions, and Operations Support. LogiCore also has an extensive background in Administrative Clerical Services, Human Resource Management, Office Management, Help Desk Operations, Property and Inventory Management, Database Administration, Desktop Training, Desktop Publishing, Database and System Design, Database Implementation, and Programming and Software Maintenance.

LogiCore currently has personnel in locations worldwide and employs a staff that averages over 50 years of experience in our support areas and a combined administrative experience of 200 years. LogiCore Headquarters has a Top Secret Facility Clearance and well-established business relationships with the Army, the Navy, the Air Force, and throughout the DoD.

Well-known publications have noted LogiCore's commitment to maintaining exceptional support services:

- Alabama Technology Today named LogiCore the Small Woman-Owned Business of the Year in 2005
- Inc. 5000 and Forbes Magazine ranked LogiCore within the top 3% of Defense Contractors in 2007
- Alabama Minority Business Enterprise named LogiCore the 2008 Technology Company of the Year

LogiCore has developed an integrated, agile, and expert workforce that provides high-level responsive support to our customers. We "accelerate readiness" by integrating our overall perception of a project, our knowledgeable workforce, and an intimate understanding of our customer's needs to create an unparalleled team to support our client's requirements.

A firm believer in giving, LogiCore actively supports numerous non-profit organizations. To help ensure that young academics have every opportunity to succeed, the Miranda Bouldin General Scholarship Fund was initiated in 2006.

Please contact LogiCore for more information about what we can do for you:

THANK YOU TO OUR RECEPTION SPONSOR!

Agility is one of the world's leading providers of integrated logistics to businesses and governments. It is a publicly traded company with \$6.8 billion in annual revenue and more than 34,000 employees in over 550 offices and 120 countries. Agility brings efficiency to supply chains in some of the globe's most challenging environments, offering unmatched personal service, a global footprint, and customized capabilities in developed and emerging economies alike.

Agility has three business divisions: Agility Global Integrated Logistics (GIL) is headquartered in Switzerland and provides supply chain solutions to commercial customers large and small. Agility Defense & Government Services (DGS), based in Washington, offers logistics services to governments, relief agencies and international institutions worldwide. Agility Infrastructure group companies primarily focus on opportunities in the Middle East, Africa and South Asia, providing infrastructure support in the areas of industrial real estate, customs optimization, and airline services.
