NDIA is a 501(c)(3) Educational non-profit organization. NDIA's purpose is to educate about the importance of a strong, resilient defense industrial base, to ensure our warfighters always have the best capabilities, training, and support so that they enjoy decisive competitive advantage across the spectrum of conflict in all domains.

To ensure organizations adhere to this requirement, the IRS reviews Governance documents and applies an "Operational Test."

When reviewing Governance documents, IRS regulations stipulate: "the organizing documents must limit the organization's purposes to exempt purposes in section 501(c)(3) and must not expressly empower it to engage, other than as an insubstantial part of its activities, in activities that are not in furtherance of one or more of those purposes."

"Operational Test: An organization will be regarded as operated exclusively for one or more exempt purposes only if it engages primarily in activities that accomplish exempt purposes specified in section 501(c)(3). An organization will not be so regarded if more than an insubstantial part of its activities does not further an exempt purpose."

The financial processes of NDIA and its affiliate organizations must ensure that revenue and expenses are primarily for educational purposes.

To ensure adherence to IRS rules and to avoid conflict of interest and ethics issues, Chapter financial operations must align with NDIA corporate finance policies for business expenditures and contracts procurement. Please review these policies and address any questions with the HQ Membership and Chapters Team, chapters@NDIA.org.

NDIA National uses PNC Bank's Pinnacle banking platform. Pinnacle is a corporate online and mobile banking platform.

The Chapters team will post current versions of all forms referenced below on our NDIA Chapter Resources webpage: NDIA.org/Chapters/About-NDIA-Chapters/Chapter-Resources

CREDIT CARD EXPENSES

The assigned credit card holder makes purchase and immediately submits all receipts either via email to chapters@NDIA.org and ChapterFinanceHQ@NDIA.org or via the Chapter’s box account at Box.com.

- An easy way to meet this requirement is for Chapter leader to immediately take a picture of the receipt with their cell phone and email the receipt to the above email addresses. This will ensure NDIA has the receipts necessary to reconcile accounts and meet audit requirements.

For information on accessing the Chapter’s Box.com account, email ChapterFinanceHQ@NDIA.org and copy chapters@NDIA.org.

- Chapter Treasurer verifies credit card expenses are included in quarterly expense report.

CHECK VERSUS AUTOMATED PAYMENT VS CREDIT CARD.

- For recurring expenses, Chapter leaders should make arrangements for funds to flow directly from checking account.
- For most expenses, including larger expenses, NDIA HQ prefers check requests to streamline audit procedures.
- For smaller transactional expenses or known expenses with an uncertain final value, Chapters can use credit cards. (For example, if Chapters need to pay the final cost of an event and will only receive the final bill at the conclusion of the event.)
