1. MEETING ARRANGEMENTS

Meetings will take place at NATO Headquarters in Brussels, Belgium. You will find here, useful maps of the New NATO Headquarters.

1.1. REGISTRATION

Enrollment is to be made on the <u>Defence Investment Portal</u> (no log-in credentials needed) and will open a few weeks prior to the meeting date; more information and instructions will be published in a calling notice for the related event.

The deadline for registration for meetings is to be respected to facilitate successful planning, Thank you for your understanding.

1.2. ACCESS TO NATO HQ / NATO PASS

Access to NATO HQ site is via the South Entrance on Boulevard Leopold III (see map 1 at Enclosure 1).

In order to enter NATO HQ premises, you must have a valid unescorted pass/visitor badge which will be delivered to you at the Pass Office desk located at the South Guardhouse (map 1).

Access to NATO Headquarters is to be arranged strictly through your national **Delegation**. Participants are requested to contact their respective national delegations to NATO HQ at least **seven working days before the meeting** and request access to NATO HQ (pass/visitor badge).

- Participants with a valid security clearance will have to request an entrance pass that will be waiting for them at the NATO Security Office (NATO HQ's South Entrance, Boulevard Leopold III, 1110 Brussels - Belgium).
- Participants without a valid security clearance will only be able to enter the NATO HQ premises if their national delegation to NATO HQ is willing to escort the participant during his/her stay at the NATO HQ. They will need a visitor badge as well.

c. If the respective national delegation to NATO HQ is not able/willing to escort the participant without a valid security clearance, the participant will not be able to attend the meeting.

Delivery of an access pass/visitor badge is a national responsibility. The NATO International Staff (IS) supporting the NIAG has no role in the access process and will not provide an escort.

You are kindly advised to check whether your request has been received / processed at NATO HQ by your respective Delegation, prior to your travel, to make sure that your pass will be ready.

Should you have access problems upon arrival, you are required to contact your respective Delegation (please make sure you have the coordinates of a POC within your delegation), as the International Staff cannot validate your security clearance / access. This is a national issue.

Any query concerning the access procedures should be directed to national delegations (a list of security officers is available at Annex 3).

Given the large number of visitors to NATO HQ, please note that processing through the Security Office on the day of the meeting will take some time and that delegates should plan to arrive at NATO HQ's South Entrance (Boulevard Leopold III, 1110 Brussels, Belgium) well in advance of the start of the meeting. It is recommended to arrive at the Headquarters no less than 30 minutes before the start of the meeting.

Your pass/visitor badge must be worn visibly inside the HQ. The transfer of passes/visitor badges to others is strictly prohibited. At the end of the meeting, expired passes/visitor badges must be deposited in the drop-off boxes located near the exit of the South Security Office.

1.3. CONFERENCE ROOM

The room number for your meeting will be notified on the information screens (see map 3) as you enter the conference centre.
