

Overview

Objective is to address the needs and challenges of both Prime Contractors and Subcontractors within the DoD Industry. This working group will address contractual and execution performance issues with an emphasis on integration and flow down that may exist at the Prime and Subcontractor level.

Leadership

Dan Lynch
(Prime perspective)

Sung Soon Stultz
(Sub perspective)

- **Possible working guide to provide guidance on commonly found issues**
 - Sub-Contractor Integration
 - Flow Down Requirements
 - Communications protocol
 - Issue resolution Process – (non-attribution)

- **Possible working guide to provide guidance on commonly found issues**
 - Sub-Contractor Integration / Flow Down Requirements / Scalability
 - Collaborative Communications protocols
 - Issue Resolution Process – (non-attribution; industry governing body/ombudsman)
 - Disparate “care-about” or direction depending on stakeholders in a Joint IBR environment
 - Early discussion strongly leaning towards Guidance to benefit industry

- **Initial Kickoff conducted September 17**
