Authorities/Initiatives

As described in the August 10, 2011 Ashton Carter memo, "Earned Value Management (EVM) Systems Performance, Oversight, and Governance", PARCA is responsible and accountable for EVM performance, oversight, and governance across the Department. Specifically:

- EVM Policy and Guidance Ownership
- [EVM Central Repository \(EVM-CR\)](#) Management
- Integrated Product Team (IPT)/Stakeholders Coordination
- EVM Data Requirements Review and Approval
- DoD EVM Interpretation and Issue Resolution Facilitation
- EVM Competency Management
