

Prime/Sub Contract Management Working Group

Overview/Mission:

Objective is to address the needs and challenges of both Prime Contractors and Subcontractors within the DoD Industry. This working group will address contractual and execution performance issues with an emphasis on integration and flow down that may exist at the Prime and Subcontractor level.

Leadership:

Amanda McNanley

amanda.mcnanley@rolls-royce.com

Bill Bridenbaugh

William_Bridenbaugh@Raytheon.com

Objectives:

- Based on the inputs provided by both the industry and government, the working group will promote information exchange using “FAST” (Flexible, Agile, Scalable, & Timely) to address major Prime/Sub Management issues and concerns.
- Implementing Prime/Sub WG information exchange using FAST will include:
 - Developing panel discussions on current Prime/Sub topics
 - Conducting information gathering workshops
 - Reaching out to DCMA/PARCA for key system issues related to Prime/Sub Mgmt
 - Exploring methods for electronic communication
 - Interacting with other IPMD WGs
