

- **Revision 3 summary of changes:**

- Minor refresh of the text, updates to match the IPMD Master Definitions List for IPMD Guides
- Updated some of the images so they are more legible
- Updated Section 6 to incorporate new guides the IPMD has published since the Application Guide was last updated in 2014
- Added an Appendix A that summarizes the EVMS Contract Clauses and Agency Policy Documents
 - Content originated with the Agile Working Group and was pulled to this document so other working groups could reference it
 - Also easier to maintain this reference in one document
