

# Prime/Sub Contract WG

## Overview/Mission:

Objective is to address the needs and challenges of both Prime Contractors and Subcontractors within the DoD Industry. This working group will address contractual and execution performance issues with an emphasis on integration and flow down that may exist at the Prime and Subcontractor level.

## Leadership:

## Outbrief:

- Several new members attended the Prime/Sub Collaboration Working Group Meeting
- The Prime Sub Collaboration Framework will be sent out for a final review before submittal to the Board
- The WG drafted a recommendation for modifying the language in the draft IPMR DID that currently requires subs to provide detail hour and dollar data to the prime
- The next project for the WG will be a Subcontractor Oversight Guide.
