

**NDIA IPMD**  
**EVMS Scalability Guide**  
**2019 Refresh**

**April 30, 2019**

- **Overview**

- Originally developed by the NDIA IPMD Civilian Agency Industry Working Group (CAIWG) to support any agency or organization which does not have a contractual requirement to implement EVMS, but would still benefit from using EVM practices by implementing a scaled EVMS
- Organized by EIA 748's 9 program management processes supporting the seven basic principles
- 69 pages, easy read,...comments, corrections, best practices sharing encouraged.

- **Activities**

- Guide and comments file distributed to membership
- Kickoff today (Chesapeake Boardroom 2:35 PM)
  - Identify key stakeholders / expectations
  - Establish telecom schedule
- Comments due June 14<sup>th</sup>
- .....Republished by year end
