MEMORANDUM FOR: SO/LIC Division Members

SUBJECT: NDIA SO/LIC Request for Rylander and DeProspero Nominees for Period CY21

The Special Operations/Low Intensity Conflict (SO/LIC) Division of the National Defense Industrial Association (NDIA) is soliciting nominations for the R. Lynn Rylander Award and DeProspero Lifetime Achievement Award, both of which will be presented at the Awards Dinner held in conjunction with the 33rd Annual SO/LIC Symposium & Exhibition in Washington, DC in the Fall of 2022.

We request your senior perspective and personal considerations for the Rylander and DeProspero nominations which recognize contributions with sweeping effects across one or more key parts of the community and frequently represent a lifetime of accomplishment. Past recipients of the Rylander Award include Dr. Michael Vickers, Mr. James Hondo Geurts, ADM Eric Olson, LTG John Mulholland, and many other pillars of the special operations community. These awards are open to all personnel from USSOCOM and its Service, Theater, and other elements, the Office of the Secretary of Defense, Joint and Service staffs, Federal Government/ Interagency, U.S. Coast Guard, and other organizations with connections to the SO/LIC community whom in your opinion meet the stringent criteria of these honors.

R. Lynn Rylander Award

The R. Lynn Rylander Award, our highest honor, is presented annually to an individual who has made distinctive contributions in the areas of Special Operations, Low Intensity Conflict, or Irregular Warfare. Achievements may be singular or cumulative, but in the spirit of R. Lynn Rylander's service, the policy, guidance, leadership, or mission contributions must have been of the highest impact – highly significant and lasting – to the SO/LIC community. For the Rylander, the contributions should also show support of the goals and objectives of NDIA and the SO/LIC Division as a cooperative open forum between government and industry.

The Award is named for R. Lynn Rylander, a Department of Defense civilian who was a founding member of the organization which is now the SO/LIC Division of NDIA. He was an early advocate and activist on the revitalization of Special Operations Forces and the organizational and legislative changes required to sustain them.

Each year, the name of the R. Lynn Rylander Award recipient is added to the award trophy, which is in the form of a chess figure that advances, attacks, and defends indirectly, sharing the characteristics are critical to the men and women involved in the conduct of Special Operations and Low Intensity Conflict.

DeProspero Lifetime Achievement Award

The DeProspero Lifetime Achievement Award recognizes sustained, distinguished service and is presented annually to an individual who has made distinctive lifetime contributions with significant impact in the areas of Special Operations, Low Intensity Conflict, or Irregular Warfare.

The award is named for Colonel Albert A. DeProspero, a retired Army Special Forces Colonel who was a founding member of the SO/LIC Division of NDIA, a former Chairman of the SO/LIC Executive Board, and a lifelong supporter of and advocate for the SO/LIC Community.
