

NDIA Automatic Testing Committee DoD ATS Designated Representative's Report

**DoD ATS Executive Directorate Office
April 2018**

DoD ATS Executive Directorate -- AMB

- CAPT Tom Dall replaced CAPT Brian Jacobs as Commander of NAVAIR PMA260 and as the DoD ATS ED
- Last DoD ATS Management Board (AMB) meeting was conducted 11 April
 - Reviewed each Service's current and future ATS plans
 - Each of the active Joint Service IPT Chairs summarized their Team's accomplishments and plans
 - Again, great deal of discussion on Cyber Security and anti-tamper
- The current version of the "DoD ATS Selection Process" lower the ATS non-proliferation decisions down to a Service level decision
 - Less AMB focus on ATS policy and greater focus on leveraging technology investments and sharing information

DoD ATS Executive Directorate -- AMB

- Next DoD ATS Management Board (AMB) meeting scheduled for Monday afternoon of AUTOTESTCON 2018, National Harbor, MD
- The new DoD ATS Executive Directorate web site:
 - The former web address <http://www.acq.osd.mil/ats>
 - New address <http://www.acq.osd.mil/log/MPP/ats.html>
 - Becoming more complete -- finally

DoD ATS Executive Directorate – Other

- Provided feedback in February concerning the synthetic instrument interface standards for sustainment task
- Received your final report on **“Incorporating User Programmable Field Programmable Gate Array (FPGA) Designs into Automatic Test Systems (ATS) Applications: Recommendations and Guidelines”**
 - Great document – DoD has and will make use
- Still pondering your request to help with the cyber security challenges
 - Different methods of implementation by the Services
- Scheduling next ATS Industry Days (“Quartz Watch”)
 - 16-18 October 2018, Arlington, VA
 - RFI notification forthcoming (NAVAIR Lakehurst contracts)
