

# System Engineering Division 2022 Planning Meeting

(Hear from Industry and Government Leaders)

January 25, 2022

Holly Dunlap  
NDIA SED Chair  
Raytheon  
703-314-0083  
[Holly.Dunlap@Raytheon.com](mailto:Holly.Dunlap@Raytheon.com)

Chris Schreiber  
NDIA SED Vice Chair  
(O) 303.971.8955 | (M) 303.242.2243  
[chris.schreiber@lmco.com](mailto:chris.schreiber@lmco.com)

John Daly  
NDIA SED Vice Chair  
Booz Allen Hamilton  
Ph: (703) 608-3508  
Daly, John [USA] [daly\\_john@bah.com](mailto:daly_john@bah.com)

Jae Yu  
Director, Divisions  
(703) 247-2564 | [NDIA.org](http://NDIA.org)

# Purpose

**Industry and Government Leaders will share their respective Systems Engineering initiatives and priorities for 2022 along with pain points, challenges, and recommendations for collaboration. This exchange will provide input for the Division as we develop our plans and priorities for the year.**

# Agenda (Industry)

EST	EST		Name	Title	Org / Service
9:00	9:15	Industry	Holly Dunlap	NDIA SED Chair	Raytheon
9:15	9:30	Industry	Alana Murphy	Senior Director, Engineering Excellence	L3 Harris
9:30	10:00	Industry	Erica Mueller	Director of Corporate Transformation	Lockheed Corporate Engineering
10:00	10:30	Government	Dr. Robert Irie	Deputy Director, Strategic Technology Protection and Exploitation	USD(R&E)
10:30	11:00	Government	Ms. Melinda Reed	Director, Resilient Systems	Office of USD(R&E)/Office of DD, Strategic Technology Protection and Exploitation
11:00	11:30	Industry	Marilee Wheaton & Garry Roedler	President	International Council of Systems Engineering
11:30	12:00	Industry	Angela Wallace	Senior VP	Booz Allen Hamilton
12:00	12:30	Industry	Luk William	Chief of Staff, ES Defense Systems Engineering	BAE Systems
12:30	1:00	Break			

# Agenda (Government)

EST	EST		Name	Title	Org / Service
1:00	1:30	Government	Stephanie Possehl	Acting Deputy Director for Engineering (DD, ENG)	OUUSD R&E
1:30	2:00	Government	Marc Goldenberg *Invited*	Chief Engineer, Mission Engineering	OUUSD (R&E) AC / Engineering / Mission Integration
2:00	2:30	Government	Tom McDermott	Chief Technology Officer	Systems Engineering Research Center (SERC)
2:30	3:00	Government	Richard Gray	Deputy Director for Intellectual Property	OUUSD(A&S) INTELLECTUAL PROPERTY CADRE
3:00	3:30	Government	Ms. Kristen Baldwin Ms. Ashley Desmond	Deputy Assistant Secretary of the Air Force, Science, Technology and Engineering Chief Engineer	Air Force - SAF/AQR - Science, Technology, and Engineering
3:30	4:00	Industry	Paul Seay	Enterprise Architect for Digital Engineering and Competitive Design	Northrop Grumman
4:00		Wrap Up	Holly Dunlap	NDIA SED Chair	Raytheon
