SE DIVISION NEWS

Lt Gen Thomas R. Ferguson, Jr. Systems Engineering Excellence Award

- **The National Defense Industrial Association's Lt Gen Thomas R. Ferguson, Jr. Systems Engineering Excellence Award was established in 2003 to honor the memory of Lt Gen Thomas R. Ferguson, Jr., USAF, whose leadership embodied the highest ideals in Defense Systems development and deployment.**
- **The award is given to an individual and to a group demonstrating outstanding achievement in the practical application of Systems Engineering**
- **Evaluation Criteria**
 - Promotion of robust systems engineering principles throughout the organization
 - Effective systems engineering process development
 - Demonstrated significant cost savings due to new or enhanced processes procedures and/or concepts
 - Increased mission capabilities
 - Substantially increased performance.
- **Recent Winners**
 - 2016 Individual Award presented to Mr. Stephen P. Welby, ASD (R&E)
 - 2016 Group Award presented to CLUSTER TOPGATE team, Naval Undersea Warfare Center (NUWC) Division Newport
 - 2015 Individual Award presented to Mr. Steve Henry, Northrop Grumman Information Systems (Retired)
 - 2015 Group Award presented to Air and Missile Defense Radar (AMDR) Systems Engineering Team, The Raytheon Company
 - 2014 Individual Award presented to Mr. David Castellano, U.S. Army ARDEC
 - 2014 Group Award presented to the JPALS Team, The Raytheon Company
- **A call for nominations will be issued annually. Nominations are submitted via [electronic form](#)* to Tina Fletcher at tfletcher@ndia.org.**
- **Award is presented annually at the Systems Engineering Conference (23-27 October 2017)**

- **2017 SE Conference Abstract Deadline was last Friday, 23 June**
- **Workshop on DoD and Industry Software Assurance Challenges and Capability Gaps, 22-23 June**
- **Reports in process**
 - *Use of Digital Models for Competitive Down-Selection Final Report* – with NDIA leadership for final review
 - *SE Top Issues Report* – back with author for minor updates then off to NDIA leadership

FY17 NDAA

Systems Engineering Interest Items

Section	Title	Requirement
901	Organization of the Office of the Secretary of Defense	Splits USD(AT&L) into USD(R&E) and USD(A&S) and reshapes existing USD(AT&L) structure and responsibilities

Section	Title	Requirement
231	Strategy For Assured Access To Trusted Microelectronics	Directs the development of a strategy/report to describe how DoD entities may access assured and trusted microelectronics supply chains for DoD systems
805	Modular Open System Approach In Development Of Major Weapon Systems	Acquisition Agility Act
806	Development, Prototyping , and Deployment of Weapon System Components or Technology	
807	Cost, Schedule, & Performance of MDAPs	
808	Transparency in MDAPs	
809	Amendments Relating To Technical Data Rights	
855	Mission Integration Management	Establish the necessary technical infrastructure and expertise to support decision makers and to design, implement, test, field and support mission capabilities
875	Use of Commercial or Non-Government Standards in lieu of Military Specifications and Standards	Directs reforms to encourage contractors to propose commercial/non-Gov't standards and industry-wide practices; form partnerships with industry associations; negotiate licenses for use of standards, etc.

PRESENTATIONS

SE Division Bi-Monthly Meeting

**COMPLETING THE 2017 PLAN
AND ACTION ITEMS**

- **Systems Engineering and emerging trends in Government acquisition**
- **Some topics to consider**
 - Integration with the commercial innovation ecosystem
 - Systems for the Third Offset
 - Modular Open Systems Architecture
 - Cybersecurity and all that it implies
- **Actions for 2017**
 - Existing Committees
 - New Working Groups

2017 Major Actions

Action	Description	Responsible	Status
2017-1	Plan and conduct a workshop on Designing for Cyber Resilience	SSE Committee	Closed
2017-2	How do we deal with the Acquisition Agility Act in the 2017 NDAA?	Team with IPMD	
2017-3	Accept IPMD rep on SED Agile Committee.	John Norton, Dale (IPMD)	Closed
2017-4	Convene working group to foster ideas for SE as a university field of study and curriculum recommendations.	E&T Committee [in E&T plan, no separate action req'd]	Closed
2017-5	Convene DHS working group to try to help them with solutions to their SE problems.	J. Elm, B. Rassa	
2017-6	Convene gov't/industry working group on SE processes for rapid acquisition.	B. Rassa, J. Dahmann	
2017-7	Prepare a brief for new gov't officials on SE Division activities. At an upcoming SE Forum	SE Div. Leadership	Col Millece will work on date

2017 Major Actions

Action	Description	Responsible	Status
