

# SSE Committee – Status - April

## 2018 Tasks:

- Support Cybersecurity Risk Appendix to DoD ROIM Guidebook
- Provide input on DoDI 8140, Cybersecurity Workforce Development
- Support OSD leveraging safety practices (joint CITAG)
- NIST 800-160 Volume 2 Review

## Deliverables/Products

- Risk Appendix
- DoDI 8140 comments
- Safety process leveraging inputs
- NIST 800-160 Volume 2 comments
- ME Initiative Report

## Additional Collaboration

- INCOSE Joint Project – SSE for SoS (merged with ME Initiative)
- Spring Software and Supply Chain Assurance (SSCA) Forum
- AT Subcommittee
- Joint Federated Assurance Center (JFAC)
- Air Force Cybersecurity Industry Technical Advisory Group (CITAG)
- AF CROWS Industry Collaboration

## Issues / Concerns:

- Collaboration Infrastructure – need ability to share FOUO data and work on deliverables collaboratively
