

**National Defense Industrial Association
Systems Engineering Division
Modeling and Simulation Committee**

**Prepared for the NDIA Systems
Engineering Division Meeting
06 February 2019**

Chris Schreiber
Lockheed Martin Corp.

David Allsop
The Boeing Co.

- **The mission of the NDIA SE M&S Committee is to advance the understanding and use of modeling and simulation in the practice of systems engineering**
- **2019 meetings (continue to be scheduled for the day before the NDIA SE Division meeting)**
 - 06 February (LM GVC – Crystal City)
 - 09 April (LM GVC – Crystal City)
 - 05 June (LM GVC – Crystal City)
 - 06-07 August workshop (LM GVC – Crystal City)

NDIA Systems Engineering M&S Comm. Meeting Agenda, 7 February 2019

TIME	PRESENTATION	PRESENTER
8:00	Assemble and Introduction	Schreiber & Allsop
8:30	Subcommittee Action and Latest Discussions	Schreiber & Allsop
9:00	Update on DEIXWG Collaboration	Coleman
10:30	Break	
11:00	Next Steps	All
12:00	Adjourn	

- **2019 INCOSE IW**

- Briefed current status of products

- DEIXPedia
- Logical Architecture
- Standards
- Digital View Model
