The NDIA has a policy of strict compliance with federal and state antitrust laws. The antitrust laws prohibit competitors from engaging in actions that could result in an unreasonable restraint of trade. Consequently, NDIA members must avoid discussing certain topics when they are together at formal association membership, board, committee, and other meetings and in informal contacts with other industry members: prices, fees, rates, profit margins, or other terms or conditions of sale (including allowances, credit terms, and warranties); allocation of markets or customers or division of territories; or refusals to deal with or boycotts of suppliers, customers or other third parties, or topics that may lead participants not to deal with a particular supplier, customer or third party.
**BIOGRAPHIES**

**LTC GARY FROST, USA (RET)**

*Deputy Director
Synthetic Training Environment Cross Functional Team*

With 20 years of active duty, Gary retired as a Lieutenant Colonel (Infantry) from the United States Army in February 2008. Gary’s most recent operational experience in the Army was with the 11th Armored Cavalry Regiment as the Deputy Regimental Commander and as the TASK FORCE FREEDOM Coalition Deputy Chief of Staff for Operations in Iraq. Prior to his deployment to Iraq, he also served in Afghanistan with the 2nd Brigade Combat Team, 10th Mountain Division where he established and led one of the US Army’s first Military Transition Teams.

After retiring from the Army, Gary began his service as a Department of the Army Civilian (GS-15) with the Headquarters, Department of the Army G-3/5/7 Training Directorate. After a year in the Training Directorate, he was offered a position with the Army’s Rapid Equipping Force as the Chief of the Technology Management Division where he and his team were responsible for conducting detailed problem analysis, researching emerging technologies, developing solution concepts, and conducting prototype development in order to support Soldiers deployed around the world. Later he was selected to serve as Rapid Equipping Force’s Acting Deputy Director. Gary then accepted an assignment in the Pentagon with the Headquarters, Department of the Army, Deputy Chief of Staff G-3/5/7 Initiative Group as a Senior Strategist.

After leaving the Federal Government for a sabbatical, Gary spent a year at the Admiral Farragut Academy in Saint Petersburg, Florida as the Science, Technology, Engineering, and Mathematics Director and Engineering Educator. Gary then transitioned to a position as the Training and Readiness Accelerator (TReX) Consortium Director for a non-profit organization that managed over 400-industry members, conducted technology scouting, and administered contract awards for PEO-STRI and Army Contracting Command - Orlando. In April 2019 he rejoined the Department of the Army and is currently serving as the Deputy Director for the Cross Functional Team - Synthetic Training Environment, Army Futures Command in Orlando, Florida.

Gary was born and reared near Tampa, Florida. He earned an undergraduate degree in Business Management and also holds a master’s degree in Business Administration. He is also working on a master’s degree in Education. Gary is married to his wife, Ellie, who retired as a Lieutenant Colonel from the United States Air Force. Ellie and Gary have a 9-year old daughter, Katie.

**HOLLY HANDLEY, PHD, PE**

*Associate Professor, Engineering Management & Systems Engineering
Old Dominion University*

Dr. Holly Ann Heine Handley is an Associate Professor in the Engineering Management and System Engineering Department at Old Dominion University. Dr. Handley applies engineering principles and experience in computational modeling to support projects in human systems engineering research and development. She develops models and methodologies to better represent the human component of socio-technical systems. She is currently part of the committee developing HSI industry-wide standards and was also a member of the original NATO panel to develop the Human Viewpoint for system architecture development. Currently her Human System Engineering Laboratory @ ODU is investigating questions on the balance of human roles and automation and the implications for personnel capabilities and manpower requirements across systems and organizations.

BG STEPHEN L.A. MICHAEL, USA

Deputy Commanding General
U.S. Army Combined Arms Center - Training

BG Steve Michael was born in Guyana, South America in 1964, immigrated to the United States in 1979 and was commissioned into the Infantry in 1988. His military education includes the Infantry Officer Basic and Advanced courses, the Combined Arms and Services Staff School, and the U.S. Army Command and General Staff College. He holds a Bachelor’s of Science Degree in Civil Engineering from the United States Military Academy and completed the Operations Research Systems Analysis Military Applications Course at Fort Lee, Virginia. He was the Senior Service College Fellow to Columbia University for FY11. Prior to serving as the Columbia Fellow, he was the Regimental Tactical Officer for 4th Regiment in the United States Corps of Cadets at West Point.

BG Michael began his career at Fort Drum as a Rifle Platoon Leader, Mortar Platoon Leader, Company Executive Officer and then as the Battalion S4 in 2nd Battalion 87th Infantry, 2nd Brigade, 10th Mountain Division. Immediately after the Career Course, he served as the Battalion S3 for the Columbus Recruiting Battalion in Columbus, Ohio. Next, he served as the Battalion S4 and Charlie Company Commander for 2nd Battalion 325th Airborne Infantry Regiment, 82nd Airborne Division. He then served as the S3 for 2nd Battalion, 503rd Infantry (Airborne), 173rd Airborne Brigade. Later, he commanded 2nd Battalion, 12th Infantry Regiment at Fort Carson and 1st Brigade Combat Team, 10th Mountain Division (Light) at Fort Drum. Afterwards, BG Michael served as the Deputy Director for the Pakistan Afghanistan and Transregional Threats Coordination Cell on the Joint Staff, J5. BG Michael then served as the Deputy Commanding General for Operations, 25th Infantry Division at Schofield Barracks, Hawaii and as the G-3/5/7 for U.S. Army Pacific. Most recently, BG Michael served as the Deputy Director for Strategic Planning and Policy (J5), U.S. Inda-Pacific Command at Camp Smith, Hawaii.

BG Michael has a diverse operational background; from Fort Drum he took part in Operation Restore Hope in Somalia, as the Battalion Logistics Officer for 2-87 Infantry. As the Commander of Charlie Company, 2nd Battalion, 325th Airborne Infantry Regiment, 82nd Airborne Division, he deployed as part of Operation Desert Focus to Dhahran, Saudi Arabia to secure American citizens and forward deployed units in response to the Khobar Towers Bombing. As Operations Officer for 2nd Battalion, 503rd Infantry (Airborne), 173rd Airborne Brigade in Vicenza, Italy, he deployed on two back-to-back operational missions; Operation Rapid Guardian in Kosovo and Operation Iraqi Freedom I, where the Battalion conducted a night combat parachute assault onto Bashur Drop Zone in Northern Iraq and helped secure the city of Kirkuk.

Next, as ground planner in the Southern European Task Force’s Joint Planning Group with the responsibility for Sub-Saharan Africa, BG Michael deployed to Ghana and Nigeria as part of Joint Task Force Liberia to help the Economic Community of West African States stabilize Liberia as President Charles Taylor was exiled to Nigeria. He then served as Aide de Camp to Lieutenant General Kip Ward, then the Deputy Commander for United States Army Europe and 7th Army; with Lieutenant General Ward, BG Michael deployed to Israel for ten months as part of the inaugural Israeli-Palestinian Security Coordinator Mission to help prepare the Palestinian Authority take control of Gaza.

As the Commander of 2-12 Infantry, BG Michael deployed for 15 months to Al Doura, Baghdad as part of the surge. In 2013, BG Michael deployed as the 1st Brigade Combat Team Commander to Regional Command - East on the Security Force Advise and Assist mission in order to enable the Afghan National Security Forces to stand up, fight, and win in Ghazni, Afghanistan. As Deputy Director for the Pakistan-Afghanistan and Transregional Threats Coordination Cells, BG Michael enabled the Chairman of the Joint Chiefs of Staff best military advice on plans and policy for Afghanistan - Pakistan and Transregional Threats. As Deputy Commander for Operations, 25th ID, BG Michael enabled the Commander, 25th ID and his subordinate Commanders to get their formations ready for the crucible of Ground Combat and Operations, Activities and Investments throughout the Inda-Pacific. As the G-3/5n for U.S. Army Pacific, was responsible for driving and synchronizing all Army Operations, Activities and Investments and connecting the “The Network” - the operations, plans, intelligence, Component, Combined and Inter-Agency enterprise to deliver results. Similarly, he did likewise as the Deputy J5 for the Inda-Pacific Command in the areas of Strategy, Plans, & Policy.

Role he is the lead for the US Army for the development and fielding of the new Army Combat Fitness Test (ACFT). He directs the test implementation and standards for the entire Active Army, Army National Guard and Army Reserve, across the globe.

He is married to the former Miss Angela Szebel, of Windsor, Canada. The happy couple currently resides in Williamsburg, Virginia. He enjoys traveling, history, reading and public speaking.
