

63RD ANNUAL **FUZE** CONFERENCE

JOIN US!

63rd Annual Fuze Conference
May 11 – 13, 2020
Kansas City, MO

All full-time college students are invited to attend the 63rd Annual Fuze Conference, where you can expect to:

- Network with Defense Industry professionals from around the world, making connections that could lead to future employment opportunities
- Attend engaging, broad-ranging sessions focused on science, technology, munitions, fuzing, military science, engineering, Research & Development (R&D), manufacturing, and more
- See how organizations turn the theoretical into the practical with display tables

DISCOUNTED RATE: \$75
(a 92% discount!)

There is no requirement to have a background in the military or defense industry to attend this event. Discounted registration fee for full-time students only. Registration includes networking breakfasts, lunches, and receptions.
