

January 1, 2020

Dear Fuze Community Members:

The National Defense Industrial Association (NDIA) is pleased to announce its call for nominations for the annual Harry Diamond Fuzing Excellence Award. This award will be presented to an individual within the United States fuze community for outstanding achievement in the fuze field. The award is designated the Harry Diamond Fuzing Excellence Award in recognition of the greatest overall contribution to the fuze program during their lifetime.

The award will be presented during the NDIA Fuze Conference May 11 – 13, 2020 at the Westin Kansas City at Crown Center in Kansas City, MO. I ask that you recommend individuals who, because of their demonstrated achievement, deserve consideration for this special recognition. Please submit recommendations as soon as possible but no later than April 6, 2020.

The winner of this prestigious award will receive national recognition and a \$1000 award presented by the NDIA.

Criteria for the award are set forth in the following pages. A reasonable amount of supporting evidence may be included in back-up material; however, the basic nomination should follow the format included below.

Sincerely,

James C. Boozer
Major General, USA (Ret)
Executive Vice President

AWARD NOMINATION FORM

2020 HARRY DIAMOND FUZING EXCELLENCE AWARD

Each year, the Harry Diamond Fuzing Excellence Award recognizes an individual who, in the judgment of the selection panel, has made the greatest overall contribution to the fuze program during their lifetime. The achievements for which this award will be considered may relate to any of the many components that make up this highly diverse, complex, and vital commodity—all the way from R&D to demilitarization and disposal.

All military personnel, government civilians, and contractor employees are eligible for nomination. All service munitions supervisors of headquarters, munitions plants, depots, laboratories, and proving grounds are asked to seriously consider the contributions of their best qualified subordinates for this prestigious award.

AWARD NOMINEES MUST:

- Be an individual of any grade or position within the United States Fuze Community.
- Receive this recognition for notable achievements made throughout one's career and lifetime.
- Have had a positive, lasting impact on the advancement of fuzing.
- Be available to receive the award at the 63rd Annual Fuze Conference in May 11 - 13, 2020.

NOTE: Anyone with knowledge of commendable actions may nominate a candidate. Such actions must be verifiable.
