VIRTUAL JULY 2021 PROCUREMENT DIVISION MEETING

July 13, 2021

NDIA HOW TO: Use GoToWebinar as an attendee

PRE-WEBINAR CONFIRMATION EMAIL

Upon registration, GoToWebinar will send you an automated confirmation email like the one to the right, which will contain your unique webinar access link, a webinar access **password**, and call-in information. Through the automated confirmation email, you can also add the webinar to your preferred calendar and check your system requirements to ensure proper access to the webinar.

CONDENSED CONTROL DOCK

To the left is an example of your condensed control dock. Select the orange arrow to see more about your audio and the questions box feature.

MAIN CONTROL DOCK

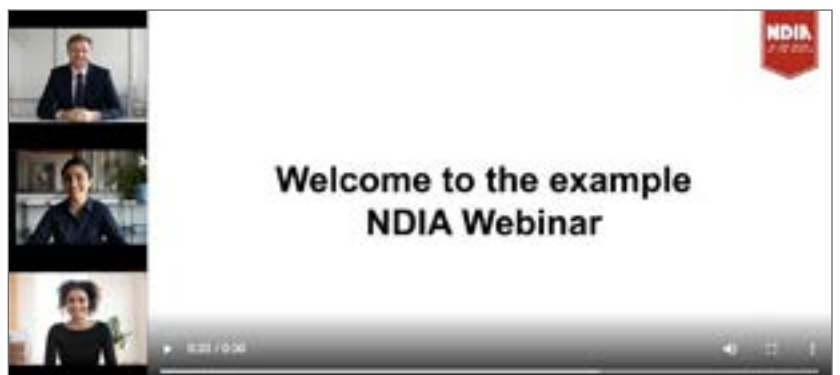

Here is your main control dock. You can see if you are muted or unmuted. Attendees are muted unless unmuted by an organizer. You can also see where your audio is coming from and who is speaking.

You can download all available files within the handouts section.

Q&A is also possible via the question feature, where you can type in questions for the speakers to answer.

WEBINAR SESSION VIEW

To the right is an example of what you will see once the webinar has started. If the speakers do not have their webcams on, you will only see the presentation.

WHO WE ARE

The National Defense Industrial Association is the trusted leader in defense and national security associations. As a 501(c)(3) corporate and individual membership association, NDIA engages thoughtful and innovative leaders to exchange ideas, information, and capabilities that lead to the development of the best policies, practices, products, and technologies to ensure the safety and security of our nation. NDIA's membership embodies the full spectrum of corporate, government, academic, and individual stakeholders who form a vigorous, responsive, and collaborative community in support of defense and national security. For more than 100 years, NDIA and its predecessor organizations have been at the heart of the mission by dedicating their time, expertise, and energy to ensuring our warfighters have the best training, equipment, and support. For more information, visit [NDIA.org](https://www.ndia.org)

EVENT INFORMATION

SURVEY AND PARTICIPANT LIST

You will receive a survey and list of participants (name and organization) via email after the event. Please complete the survey to help make our events even more successful in the future.

SPEAKER GIFTS

In lieu of speaker gifts, a donation is being made to the Fisher House Foundation.

HARASSMENT STATEMENT

NDIA is committed to providing a professional environment free from physical, psychological and verbal harassment. NDIA will not tolerate harassment of any kind, including but not limited to harassment based on ethnicity, religion, disability, physical appearance, gender, or sexual orientation. This policy applies to all participants and attendees at NDIA conferences, meetings and events. Harassment includes offensive gestures and verbal comments, deliberate intimidation, stalking, following, inappropriate photography and recording, sustained disruption of talks or other events, inappropriate physical contact, and unwelcome attention. Participants requested to cease harassing behavior are expected to comply immediately, and failure will serve as grounds for revoking access to the NDIA event.

ANTITRUST POLICY

NDIA has a policy of strict compliance with federal and state antitrust laws. The antitrust laws prohibit competitors from engaging in actions that could result in an unreasonable restraint of trade. Consequently, NDIA members must avoid discussing certain topics when they are together at formal association membership, board, committee, and other meetings and in informal contacts with other industry members: prices, fees, rates, profit margins, or other terms or conditions of sale (including allowances, credit terms, and warranties); allocation of markets or customers or division of territories; or refusals to deal with or boycotts of suppliers, customers or other third parties, or topics that may lead participants not to deal with a particular supplier, customer or third party.

EVENT CODE OF CONDUCT

NDIA's Event Code of Conduct applies to all National Defense Industrial Association (NDIA), National Training & Simulation Association (NTSA), and Women In Defense (WID) meeting-related events, whether in person at public or private facilities, online, or during virtual events. NDIA, NTSA, and WID are committed to providing a productive and welcoming environment for all participants. All participants are expected to abide by this code as well as NDIA's ethical principles and practices. Visit [NDIA.org/CodeOfConduct](https://www.ndia.org/CodeOfConduct) to review the full policy.

KEYNOTE SPEAKER

MATTHEW TRAVIS

Chief Executive Officer

Cybersecurity Maturity Model Certification Accreditation Body (CMMC-AB)

Matthew Travis is the first chief executive officer of the Cybersecurity Maturity

Model Certification Accreditation Body (CMMC-AB), the nation's sole authorized provider of cybersecurity certification credentials for the defense industrial base. Chartered by the Department of Defense but independent from it, CMMC-AB is a 501(c)(3) non-profit organization working with thousands of companies that support DoD to implement common and verifiable cybersecurity standards.

Previously, Travis served as the first deputy director of the Cybersecurity and Infrastructure Security Agency (CISA), the nation's leading civilian cybersecurity agency. There he oversaw the day-to-day operations of the \$2+ billion, 2000+ employee organization across the full range of its mission in cybersecurity, infrastructure protections and emergency communications. Prior to this position, he was the deputy undersecretary for national protection (NPPD) within the Department of Homeland Security.

Before entering government service in 2018, Travis served as vice president of homeland security for Cadmus, a security,

energy, and environmental professional services firm. He joined Cadmus when the security consultancy he co-founded, Obsidian Analysis, Inc., was acquired by Cadmus in 2016.

A former naval officer, Travis served as an engineering auxiliaries officer aboard the guided-missile frigate U.S.S. CARR (FFG 52). He then served a tour as White House Liaison to the Secretary of the Navy and was also a White House Military Aide. He is a 1991 graduate of the University of Notre Dame and holds a master's in national security studies from Georgetown University.
