

AWARD NOMINATION FORM

JOSEPH D. WIENAND NDIA CBRN DIVISION STEM EXCELLENCE AWARD

ABOUT

The Joseph D. Wienand NDIA CBRN Division STEM Excellence Award is given in recognition of the greatest overall STEM achievement and or efforts of an individual that most significantly impacted CBRN Defense programs. This award is designed to highlight the aspirations and contributions of our mid-level CBRN Defense community. The award will be presented at the annual NDIA CBRN Defense Conference.

HISTORY

Over the years Mr. Joseph D. Wienand championed several STEM programs, and this award acknowledges the lasting impacts Mr. Wienand has made.

ELIGIBILITY

- An individual who has demonstrated outstanding accomplishment in a scientific, technological, engineering, or mathematical improvement/enhancement of a CBRN defense related product, system or process for the current year
- Junior level to mid-level stage of their career
- Open to military service members, government employees, and/or contractor employees that have 10 years or less experience working in a STEM-related position.
