Test & Evaluation Division Test Enterprise Coordination Committee

- TECC Charter / Purpose
 - Provide a regularly occurring forum for industry and government to meet every 6 months and review issues of common interest and concerns regarding the T&E infrastructure.
 - Identify areas for improvement (Near & Far Term Needs) in government and industry T&E infrastructure.
- TECC Organization:
 - Sub-Committee under the NDIA T&E Division (separate from the ICOTE), led by NDIA
 - This new committee will provide occasional updates to the ICOTE on their activities, and would request help as needed from the ICOTE when appropriate.
