

**National Defense Industrial Association  
Systems Engineering Division  
Modeling and Simulation Committee**

**Prepared for the NDIA Systems  
Engineering Division Meeting  
01 March 2017**

**Chris Schreiber**  
Lockheed Martin Corp.

**David Allsop**  
The Boeing Co.

- **The mission of the NDIA SE M&S Committee is to advance the understanding and use of modeling and simulation in the practice of systems engineering**
- **2017 meetings (continue to be scheduled for the day before the NDIA SE Division meeting)**
  - 28 February (LM GVC – Crystal City)
  - 18 April (Boeing - Arlington)
  - 20 June (TBD)
  - 14-15 August workshop (TBD)

# NDIA Systems Engineering M&S Comm. Meeting Agenda, 21 June 2016

TIME	PRESENTATION	PRESENTER
8:00	Assemble and Introduction	Schreiber & Allsop
8:30	Digital Model-Based Engineering	Phil Zimmerman
9:30	Update on Future Directions for SysML	Chris Schreiber
10:30	Break	
11:00	Enabling Integrating Model-Based Eng.	Manas Bajaj
12:00	Lunch	
1:00	SE Division Updates	Chris Schreiber
1:30	Data Exchange Standards from IW2017	Chris Schreiber
2:00	Next Steps and Workshop Planning	ALL
3:00	Adjourn
