

OFFICE OF SMALL BUSINESS PROGRAMS

Introducing **Cyber Circuits: A live webinar**

These sessions bring cybersecurity experts, industry leaders, and cyber-celebs into the virtual offices of small business owners in the DIB and its supply chain.

Join us on **April 22, 2020, at 11:00 AM EST** for a robust discussion on ***“Protecting Small Business in a COVID-19 Environment.”***

FEATURING:

- Ms. Amy Murray, Director, DoD Office of Small Business Programs
- Ms. Katie Arrington, CISO Office of the Undersecretary of Defense Acquisition
- Ms. Jennifer Zucker, Esq., Greenberg Traurig
- Mr. Nathan Magniez, Sr. Cybersecurity Expert, Project Spectrum

TOPICS:

- ✓ What is the Department of Defense response to COVID as it relates to the supply chain?
- ✓ How does this moment impact our cybersecurity vulnerabilities?
- ✓ What impact does the local “stay at home” order have on my contract deliverables?
- ✓ What support is available for small businesses in the supply chain?
- ✓ How can I operate securely in a virtual work world?
